Don't Use the Toilet as an Ashtray or Wastebasket

Every time you flush a cigarette butt, facial tissue, or other small bit of trash, you're wasting gallons of water.

Put them in the garbage.

### Did you know....

- You can trim up your boulevard trees?
- Are your trees in the line of walkers or bikers?

**City of Breckenridge Tree Removal Policy**

Trees that are in the boulevard (within 17 feet as measured perpendicular to the street or avenue, from the back of the curb to the front of the tree), or are between the curb & sidewalk if a sidewalk exists, are the property of the City. Neither residents nor contractors are permitted to cut or remove any tree that is in the boulevard without first getting approval from authorized city personnel. Trees within the boulevard that are diseased or dying, are damaged by an act of nature, or are deemed an emanate threat to property (as determined by authorized City personnel) will be removed by City personnel at no charge to the resident. **Residents are permitted to prune trees\* that are in the boulevard adjacent to their own property provided that the pruning is for the betterment of the tree.**
